

INSPIRED COLLAGE™ WORKSHOPS PRESENTS:

God Attachment

Securely attach to God and
Experience the embrace of His nearness

“The name of the Lord is a strong tower; the righteous man runs into it and is safe.” Proverbs 18:10

(Inspired Collage™ cards are made from recycled images and are for personal enrichment only.)

Throughout life's journey, being able to find refuge and security with God is a key to peace and wholeness. During this workshop you will learn about the 4 Attachment Styles we learn in childhood (*Secure, Avoidant, Anxious & Fearful*) and how this affects your current attachment relationship with God. In order to more securely attach to our Father who loves us, we will be meditating upon the names of God as a vehicle to draw us nearer to Him.

In ancient times a name carried significant weight. By using the creative mode of collage you will create scripture meditation cards and experience the power of God's names. This collage workshop will help you to attach to a secure relationship with the living God.

- Learn about the 4 attachment styles and how your style affects your relationships
