

INSPIRED COLLAGE™ WORKSHOPS PRESENTS: A Walk in the Garden with the LORD *A Heart Journey*

(Inspired Collage™ cards are made from recycled images and are for personal enrichment only.)

The Garden of Eden is more than a place; it is also a way of life and a state of the soul. Because God himself planted the Garden of Eden (Genesis 2:8), there is something prescriptive about going there in our hearts. Join us to take this interactive meditative/collage walk in the garden of God. ([Watch the promo video](#)).

- The garden is a well-spring of life ~ Learn how to meet God in your garden
- Become a “garden tender” ~ grow abundant fruit.
- Walk on ancient paths and find rest for your souls
- The garden is a place to let go of your burdens and receive from God.
- Treat yourself to a mini-retreat ~ a spa for the soul
- A time to reflect, journal and collage (All materials provided)

What is Inspired Collage™?

Inspired Collage™ a mini retreat ~ a spa for the soul. It is a kaleidoscopic blend of practices inspired by Scripture, journaling, meditation, and love for beauty and art. Through the power of images and self-discovery you craft your visual life-journal, creating deeper intimacy with God, yourself and others.
