

# INSPIRED COLLAGE™ WORKSHOPS PRESENTS: Treasured Possession ~ Embracing Your True Worthiness

“The Lord your God has chosen you to be a people for his treasured possession” Deuteronomy: 7:6

(Inspired Collage™ cards are made from recycled images and are for personal enrichment only.)

In ancient times a name bore great weight and framed a person's direction and life. Treasured Possession is a name your Father in heaven has given you. During this workshop you will embrace the keys to your self-worth and identity in Christ. So often in life an incorrect identity has been mirrored to us which causes us to adapt or attach to a false sense of self. Yet God has placed in every believer a treasured identity; for many this needs to be discovered and is waiting to be mined. ([Watch the promo video](#)).

## Ancient Art of Christian Biblical Meditation:

Christian meditation is an ancient art practiced since the early Christian era, and is a time-honored way of going deeper in the word and connecting with God. In this age of microwaves and drive-through windows this art has been forgotten by many. It surely is a hidden treasure that is now being revived by those who have a growing desire for the transcendent. During the workshop you will learn four movements of Christian meditation. (Lectio Divina: The Reading, Reflecting, Responding and Resting).
